

Directions and Link to participate in the Town Council Meeting 4/15/20

Public Directions:

For optimal viewing and participation, the public should login via Chrome or Firefox browser using a laptop or desktop with mic, speakers and a camera. You can login with your phone or tablet, but you will need to download the web-meeting 3cx app prior and the functionality is limited (chat not available).

LAPTOP OR DESKTOP: **Use Chrome or Firefox Browsers only.**

SMARTPHONE: Download the [Android](#) or [iOS](#) app and click on the meeting link to join.

Participating in the meeting.

1. Please do not post in the chat unless the President is opening the floor for public comment.
2. You will be prompted by the President when public comment is available.
3. Tap the hand or react button at the prompted time then click on the hand and it will show your name as having a question. We will call on you in the order the questions come in.
