RE: Waiver Request

Dear Mark,

As you know, Hendricks County is engaged in the process of developing plans for a new Jail and Sheriff's Office facility, to be constructed at the old fairgrounds' property on East Main Street.

I am sending this letter on behalf of the Hendricks County Board of Commissioners, to respectfully request consideration from the Town of Danville to waive all Town fees that would normally be associated with this type of development. We are hopeful that this request for intergovernmental cooperation will be well received in an effort to help deliver the most cost-effective project for all county and local residents.

I will be pleased to discuss further or provide any other information that may be helpful. Thank you in advance for your assistance in this matter.

Sincerely,
